

31 Day Book Challenge August 2020

We want YOU to read a book a day for 31 days the month of August. Can you take this challenge on?

Starting on the 1st of August to the end of August, the 31st, you are to read a book a day. We have listed subjects that we would like you to read about. You can pick from fiction or nonfiction. For the younger kids, you can choose to read step level books also. What better way to get yourself ready for the upcoming school year and have some fun?

This is for kids between ages 6-12. You must get your books from the library and you must log your books on this provide sheet. The sheet needs be turned in to the librarian when you are done. You can check out your required books ahead of time. However, don't read them all in one day. Read a book a day for this challenge.

You will be rewarded with a book and a gift certificate to Headquarters upon completion. Good luck!
